Multi-Day Food Bar Production Record

Production records are required daily for any meals claimed for reimbursement. This production record is designed for schools that have an ongoing food bar. The total at the end of the week will be used for nutrient analysis and can be used for costing.

Dates:	Monday	Tuesday	Wednesday	Thursday	Friday	Total
Daily Participation: Elem/High School						
Included Food Items Used and volume/weight/ count or Recipe Number and Number of Servings	On Monday record the total amount of all foods prepared for the food bar. As foods are added during the week, record the quantities.
