

CHAPTER 5
TRACK, GAMBLING STRUCTURE, AND EXCURSION GAMBLING BOAT
LICENSEES' RESPONSIBILITIES

491—5.1(99D,99F) In general. For purposes of this chapter, the requirements placed upon an applicant shall become a requirement to the licensee once a license to race or operate a gaming facility has been granted. Every license is granted upon the condition that the license holder shall accept, observe, and enforce the rules and regulations of the commission. It is the affirmative responsibility and continuing duty of each officer, director, and employee of said license holder to comply with the requirements of the application and conditions of the license and to observe and enforce the rules. The holding of a license is a privilege. The burden of proving qualifications for the privilege to receive any license is on the licensee at all times. A licensee must accept all risks of adverse public notice or public opinion, embarrassment, criticism, or financial loss that may result from action with respect to a license. Licensees further covenant and agree to hold harmless and indemnify the Iowa racing and gaming commission from any claim arising from any action of the commission in connection with that license.

491—5.2(99D,99F) Annual reports. Licensees shall submit audits to the commission as required by Iowa Code sections 99D.20 and 99F.13. The audit of financial transactions and condition of licensee's operation shall include an internal control letter, documentation that the county board of supervisors selected the auditing firm, a balance sheet, and a profit-and-loss statement pertaining to the licensee's activities in the state, including a breakdown of expenditures and subsidies. If the licensee's fiscal year does not correspond to the calendar year, a supplemental schedule indicating financial activities on a calendar-year basis shall be included in the report. In the event of a license termination, change in business entity, or material change in ownership, the administrator may require the filing of an interim report, as of the date of occurrence of the event. The filing due date shall be the later of 30 calendar days after notification to the licensee or 30 calendar days after the date of the occurrence of the event, unless an extension is granted.

5.2(1) The annual audit report required by Iowa Code section 99D.20 shall include a schedule detailing the following information: number of performances; attendance; regulatory fee; total mutuel handle and taxes paid to state, city, county and gambler's treatment fund; unclaimed winnings; purses paid indicating sources; total breakage and disbursements; and the disbursements of 1 percent of exotic wagers on three or more racing animals.

5.2(2) The annual audit report required by Iowa Code section 99F.13 shall include:

- a. A schedule detailing a weekly breakdown of adjusted gross revenue; taxes paid to the state, city, county, county endowment fund, and gambler's treatment fund; and regulatory fees.
- b. A report on whether material weaknesses in internal accounting control exist.
- c. A report on whether the licensee has followed the system of internal accounting control approved by the administrator.

491—5.3(99D,99F) Information. The licensee shall submit all information specifically requested by the commission or commission representative.

491—5.4(99D,99F) Uniform requirements.

5.4(1) Maintenance of premises and facilities. Each licensee shall at all times maintain its premises and facilities so as to be neat and clean, well landscaped, painted and in good repair, handicapped accessible, with special consideration for the comfort and safety of patrons, employees, and other persons whose business requires their attendance.

5.4(2) Facilities for commission. Each licensee shall provide reasonable, adequately furnished office space, including utilities, direct long-distance access for voice and data lines, custodial services, and necessary office equipment, and, if applicable, work space on the boat for the exclusive use of the

commission employees and officials. The licensee shall also make available appropriate parking places for commission staff.

5.4(3) Sanitary facilities for patrons. Each licensee shall, on every day of operation, provide adequate and sanitary toilets and washrooms and furnish free drinking water for patrons and persons having business on the licensee's premises.

5.4(4) First-aid room. Each licensee shall equip and maintain adequate first-aid facilities and have in attendance, during live racing at racetracks and while excursion gaming boats are cruising, either a physician, a physician assistant, a registered nurse, a licensed practical nurse, a paramedic, or an emergency medical technician, all properly licensed according to requirements of the Iowa department of public health. During all other hours of operation, the licensee shall have, at a minimum, one employee trained in CPR, in first aid, and in the use of the automated external defibrillator (AED). Each licensee is required to have an AED at the licensee's facility.

5.4(5) Security force.

a. Peace officer. Each licensee shall ensure that a person who is a certified peace officer is present during all gaming hours, unless permission is otherwise granted by the administrator. A certified peace officer pursuant to this rule must be employed by a law enforcement agency and have police powers.

b. Employ adequate security. Each licensee shall employ sufficient security to remove from the licensed premises a person violating a provision of Iowa Code chapter 99D or 99F, commission rules, or orders; any person deemed to be undesirable by racing and gaming commission officials; or any person engaging in a fraudulent practice. Security shall also be provided in and about the premises to secure restricted areas including, but not limited to, the barn area, kennel area, paddock, and racing animal drug testing area.

c. Incident reports. The licensee shall be required to file a written report, within 72 hours, detailing any incident in which an employee or patron is detected violating a provision of Iowa Code chapter 99D or 99F, a commission rule or order, or internal controls; or is removed for reasons specified under paragraph 5.4(5)“b.” In addition to the written report, the licensee shall provide immediate notification to the commission and DCI representatives on duty or, if representatives are not on duty, provide notification on each office's messaging system if the incident involved employee theft, criminal activity, Iowa Code chapter 99D or 99F violations, or gaming receipts.

d. Ejection or exclusion. A licensee may eject or exclude any person, licensed or unlicensed, from the premises or a part thereof of the the licensee's facility, solely of the licensee's own volition and without any reason or excuse given, provided ejection or exclusion is not founded on constitutionally protected grounds such as race, creed, color, disability, or national origin.

Reports of all ejections or exclusions for any reason, other than voluntary exclusions, shall be made promptly to the commission representative and DCI and shall state the circumstances. The name of the person must be reported when the person is ejected or excluded for more than one gaming day.

The commission may exclude any person ejected by a licensee from any or all pari-mutuel facilities, gambling structures, or excursion gambling boats controlled by any licensee upon a finding that attendance of the person would be adverse to the public interest.

5.4(6) Firearms possession within casino.

a. No patron or employee of the licensee, including the security department members, shall possess or be permitted to possess any pistol or firearm within a casino without the express written approval of the administrator unless:

- (1) The person is a peace officer, on duty, acting in the peace officer's official capacity; or
- (2) The person is a peace officer possessing a valid peace officer permit to carry weapons who is employed by the licensee and who is authorized by the administrator to possess such pistol or firearm while acting on behalf of the licensee within that casino.

b. Each casino licensee shall post in a conspicuous location at each entrance to the casino a sign that may be easily read stating, "Possession of any firearm within the casino without the express written permission of the Iowa racing and gaming commission is prohibited".

5.4(7) Video recording. Licensees shall conduct continuous surveillance with the capability of video recording all gambling activities under Iowa administrative rules 661—Chapter 141, promulgated by the department of public safety.

a. “Gambling activities” means participating in or wagering on gambling games on the gaming floor; the movement, storage, and handling of uncounted gambling revenues; manual exchange of moneys for forms of wagering credit on the gaming floor; entrance of the public onto the gaming floor; and any other activity as determined by the commission administrator or administrator’s designee.

a. Qualifying agreements.

(1) All contracts and business arrangements entered into by a facility are subject to commission jurisdiction. Written and verbal contracts and business arrangements involving a related party or in which the term exceeds three years or the total value in a calendar year exceeds \$100,000 are agreements that qualify for submission to and approval by the commission. For the purpose of this subrule, a qualifying agreement shall be limited to:

1. Any obligation that expends, encumbers, or loans facility assets to anyone other than a not-for-profit entity or a unit of government for the payment of taxes or utilities.

2. Any disposal of facility assets or provision of goods and services at less than market value to anyone other than a not-for-profit entity or a unit of government.

3. A previously approved qualifying agreement, if consideration exceeds the approved amount in a calendar year by the greater of \$100,000 or 25 percent.

4. Any type of contract, regardless of value or term, where a third party provides electronic or mechanical access to cash or credit for a patron of the facility. The contract must contain a clause that provides for immediate notification and implementation when technology becomes available to allow a person to voluntarily bar the person’s access to receive cash or credit from such devices located on the licensed premises.

(2) A qualifying agreement must be submitted within 30 days of execution. Commission approval must be obtained prior to implementation, unless the qualifying agreement contains a written clause stating that the agreement is subject to commission approval. Qualifying agreements that are ongoing or open-ended need only be submitted on initiation, unless there is a material change in terms or noncompliance with 5.4(8)“b”(4).

(3) A member of either the qualified sponsoring organization or the qualifying organization under Iowa Code section 99D.8 associated with a facility.

d. Review criteria. The commission shall approve all qualifying agreements that, in the commission's sole opinion, represent a normal business transaction and may impose conditions on an approval. The commission may deny approval of any agreement that, in the commission's sole opinion, represents a distribution of profits that differs from commission-approved ownership and beneficial interest. This subrule does not prohibit the commission from changing the approved ownership or beneficial interest.

5.4(9) Checks. The acceptance of personal checks shall be allowed; however, "counter" checks shall not be allowed. All checks accepted must be deposited in a bank by the close of the banking day following acceptance.

A licensee shall submit construction documents and plans to the state building code commissioner and receive approval prior to construction, if a facility is subject to the state building code.

b. If there is no enforcement of fire safety requirements by a local fire department, a licensee shall also submit construction plans and documents to the state fire marshal and receive approval prior to construction. The fire marshal may cause a facility subject to this paragraph to be inspected for compliance with fire marshal rules prior to operation of the facility and shall notify the commission and the licensee of the results of any such inspection.

c. If a proposed new or renovated facility is subject to both paragraphs “a” and “b,” a single submission of construction plans and documents to the building code commissioner, with a cover letter stating that review and approval are required with respect to both the state building code and rules of the fire marshal, is sufficient to meet both requirements. The license holder sponsoring or escorting the guest shall be responsible for the conduct of the guest pass holder.

5.5(9) Stewards. There shall be three stewards for each racing meet, two appointed by the commission and one nominated by the licensee for approval by the commission. The names of licensees' nominees for steward and biographical information describing the experience and qualifications of the nominees shall be submitted no later than 45 days before commencement of a race meeting. a. The identity of each person or entity to which purse money is paid by the licensee for purses won by racing animals at the facility. The facility shall either section off or clearly delineate the floor of the area and post a sign near the area, which is visible to patrons approaching the area, denotes the wagering area and specifies that the wagering area is not accessible to persons under the age of 21. The designation applies only when the wagering window or device is open to transact wagering. A floor plan identifying the area shall be filed with the administrator for review and approval. Modification to a previously approved plan must be submitted for approval at least ten days prior to implementation.

In order to be utilized for gaming purposes, the vessel containing the casino must either contain a permanent means of propulsion or have its means of propulsion contained in an attached vessel. In the event that the vessel containing the casino is propelled by a second vessel, the boat will be considered self-propelled only when the vessels are designed, constructed, and operated as a single unit.
- c. *Moored barge.* “Barge” means any stationary structure approved by the commission, where the entire gaming floor is located on or near a body of water as defined under Iowa Code section 99F.7, subsection 1, and which facility is subject to land-based building codes rather than maritime or Iowa department of natural resources inspection laws and regulations.

5.6(2) Excursions.

- a. *Length.* The excursion season shall be from April 1 through October 31 of each calendar year. An excursion boat must operate at least one excursion during the excursion season to operate during the off-season, although a waiver may be granted by the commission in the first year of a boat’s operation if construction of the boat was not completed in time for the boat to qualify. Excursions shall consist of a minimum of one hour in transit during the excursion season. The number of excursions per day is not limited. During the excursion season and the off-season, while the excursion gambling boat is docked, passengers may embark or disembark at any time during business hours pursuant to Iowa Code section 99F.4(17).
- b. *Dockside completion of excursions.* If, during the excursion season, the captain determines that it would be unsafe to complete any portion of an excursion, or if mechanical problems prevent the completion of any portion of an excursion, the boat may be allowed to remain at the dock or, if the excursion is underway, return to the dock and conduct the gaming portion of the excursion while dockside, unless the captain determines that passenger safety is threatened.
- c. *Notification.* If an excursion is not completed due to reasons specified in paragraph 5.6(2)“b,” a commission representative shall be notified as soon as is practical.

5.6(3) Drug testing of boat operators. Captains, pilots, and physical operators of excursion gambling boats shall be drug tested, as permitted by Iowa Code section 730.5, on a continuous basis with no more than 60 days between tests. The testing shall be conducted by a laboratory certified by the United States Department of Health and Human Services or approved under the rules adopted by the Iowa department of public health. The facility shall report positive test results to a commission representative.
