\*(1) Iowa's listing requirements for brands and brand families. Iowa does not require a separate listing for variations relating to width, length, filtration, amount of chemicals, or mentholating of a particular brand name. For example: lights, 100's, regulars, slims, can be included under one "brand family" name. Iowa would require a separate listing for variations in color.

The brand of Pink Dreams Cigarettes has not been approved yet for Iowa.

\*(2) The **Sherman 1400 Broadway NYC, Ltd** brands will be listed only by brand family and not the particular styles.

\*(3) **Effective September 22, 2009**, cigarettes that contain certain characterizing flavors are considered adulterated under the Federal Food, Drug, and Cosmetic Act, as amended by the Family Smoking Prevention and Tobacco Control Act.
