

GENERAL INSTRUCTIONS

WHO SHALL FILE: Corporations doing business in Iowa as financial institutions must file an Iowa 1120F franchise tax return. Financial institutions include state banks chartered in or out of Iowa, national banks, national association banks, Federal savings banks, production credit associations, Federally chartered savings and loan associations, trust companies, financial institutions chartered by the Federal Home Loan Bank Board, savings and loan associations incorporated by Iowa or any other state, and any financial institution controlled by the Resolution Trust Corporation.

PROPERTY REHABILITATION CREDIT: For tax years beginning on or after January 1, 2001, eligible franchise tax filers can take the property rehabilitation credit. A tax credit certificate issued by the Iowa Department of Cultural Affairs must be attached to the return.

TAX PERIOD END: Iowa considers every period end to be the last day of the month. If your period end is not the last day of the month, you must use the month end closest to the end of your accounting period. Report only the month and year on the Iowa tax form.

WHEN TO FILE: Franchise tax returns must be filed no later than the last day of the fourth month following the close of the financial institution's taxable year. Amended returns must be filed within three years of the due date of the original return.

WHERE TO FILE: Mail your return to Franchise Tax Return Processing, Iowa Department of Revenue, P.O. Box 10413, Des Moines IA 50306-0413.

ADDITIONAL TIME TO FILE: If 90% or more of the correct amount of tax due is paid by the due date of the return, then no late penalty will be assessed provided that the return is filed within six months of the due date. Any tax elections made on the return will be considered timely if the return is filed no later than six months from the due date. If an additional payment is necessary in order to meet the 90% requirement, you must make payment using the Iowa Franchise Tax Payment Voucher, form 43-009.

BONUS DEPRECIATION SECTION 179 EXPENSING:

For assets placed in service after May 5, 2003, but before January 1, 2005, Iowa has adopted the additional first-year depreciation allowance (30% or 50% bonus depreciation). Also adopted was the Federal law increasing the Section 179 expensing allowance from \$25,000 to \$100,000 for tax years beginning on or after January 1, 2003. Taxpayers who have filed a tax return which reflected the disallowance of either bonus depreciation or the increased Section 179 expensing, must file an amended Iowa return to reflect this change.

For any assets placed in service after September 10, 2001, but before May 6, 2003, Iowa continues to disallow the 30% bonus depreciation provisions of the Federal Job Creation and Worker Assistance Act of 2002. Form IA4562A will still need to be filed for these assets to account for the difference between Iowa and Federal depreciation.

Form IA 4562A has been updated to reflect these changes. In addition, a new form, IA4562B Iowa Depreciation Accumulated Adjustment Schedule, is available on the department's Web site and should be completed to record the cumulative effect of the adjustment and attached to the Iowa return.

REGISTRATION INFORMATION CHANGES: If applicable, please check the change of mailing address box on the franchise tax form and enter your new address. If you are changing the Federal Identification Number or the name of the bank, please send a letter prior to filing your tax return explaining the circumstances and the effective date of change. Send your letter to: Bank Franchise Tax, Iowa Department of Revenue, P.O. Box 10456, Des Moines IA 50306-0456.

APPORTIONMENT OF INCOME: If you are subject to apportionment of income, please contact the Department at (515) 281-3272 to request IA Schedule 59F. The schedule was updated in 1998; please use the revised form.

HOW TO FILE: Complete all questions on pages one and two of the IA 1120F. Attach a complete copy of your Federal return as filed with the Internal Revenue Service. If no copy is attached, this WILL NOT be considered a complete return. The preparer must sign, date the return and enter SSN, FEIN, or PTIN.
