

1120F Instructions

GENERAL INSTRUCTIONS

WHO SHALL FILE: Corporations doing business in Iowa as financial institutions must file an Iowa 1120F franchise tax return. Financial institutions include state banks chartered in or out of Iowa, national banks, national association banks, Federal savings banks, production credit associations, Federally chartered savings and loan associations, trust companies, financial institutions chartered by the Federal Home Loan Bank Board, savings and loan associations incorporated by Iowa or any other state, and any financial institution controlled by the Resolution Trust Corporation.

1998 INFORMATION: For tax years beginning after August 5, 1997, an Iowa net operating loss may be carried back two tax periods and carried forward 20 tax periods.

Financial institutions may deduct to the extent not deducted for Federal tax purposes any gift, grant or donation made to the Iowa Educational Savings Plan Trust for deposit in the endowment fund of the trust. This is effective for gifts, grants and donations made on or after July 1, 1998.

TAX PERIOD END: Iowa considers every period end to be the last day of the month. If your period end is not the last day of the month, you must use the month end closest to the end of your accounting period. Report only the month and year on the Iowa tax form.

WHEN TO FILE: Franchise tax returns must be filed no later than the last day of the fourth month following the close of the financial institution's taxable year. Amended returns must be filed within three years of the due date of the original return.

WHERE TO FILE: Mail your return to Franchise Tax Return Processing, Iowa Department of Revenue and Finance, P.O. Box 10413, Des Moines IA 50306-0413.

ADDITIONAL TIME TO FILE: If 90% or more of the correct amount of tax due is paid by the due date of the return, then no late penalty will be assessed provided that the return is filed within six months of the due date. Any tax elections made on the return will be considered timely if the return is filed no later than six months from the due date. If an additional payment is necessary in order to meet the 90% requirement, you must make payment using the Iowa Franchise Tax Payment Voucher, form 43-009.

OTHER INFORMATION: If you are filing a Net Operating Loss Carryback, please use IA 1139.

REGISTRATION INFORMATION CHANGES: If applicable, please check the change of mailing address box on the franchise tax form and enter your new address. If you are changing the Federal Identification Number or the name of the bank, please send a letter prior to filing your tax return explaining the circumstances and the effective date of change. Send your letter to: Bank Franchise Tax, Iowa Department of Revenue and Finance, P.O. Box 10456, Des Moines IA 50306-0456.

APPORTIONMENT OF INCOME: If you are subject to apportionment of income, please contact the Department at (515) 281-3272 to request IA Schedule 59F. The schedule was updated in 1997; please use the revised form.

Complete all questions on pages one and two of the IA 1120F. Attach a complete copy of your Federal return as filed with the Internal Revenue Service. If no copy is attached, this WILL NOT be considered a complete return.

ALLOCATION DATA FOR FRANCHISE TAX

All financial institutions must complete the allocation schedule. If a financial institution has more office locations than space provided in the schedule on page 2 of the designated allocation schedule, do not complete it, but attach a separate schedule providing the same information. Indicate on the allocation schedule that allocation information is provided on a separate schedule. Exclude all non-Iowa locations.

Please check the branch locations on your prior returns to verify all branches were properly reported. If you discover errors on returns, submit a letter itemizing the net demand deposit percentage corrections.

Iowa Branch Office Addresses. Enter the street address for each Iowa branch office.

Name of Iowa Incorporated City. Enter the Iowa incorporated city where the branch is located. If the branch is located in an unincorporated area, enter "Rural."

Business Activity. The percentage of business activity carried on by each Iowa office listed on the schedule must be indicated for purposes of allocation. Do not enter the percentage of business activity for any office which is not located in Iowa. Calculate the percentage of business activity to the nearest one hundredth of 1% (Example: 73.52%). All financial institutions with the exception of production credit associations shall determine their business activity by a ratio of "total savings or customer deposits net of withdrawals" for each office location to the entire "total savings or customer deposits net of withdrawals" for all office locations. Production credit associations shall determine their business activity by ratio of "loan volume" for each office location to the entire "loan volume" for all office locations.

City Code Numbers. Enter the two-digit code for the city location in Iowa. Enter code "01" for county seat cities and "00" for rural locations in unincorporated areas. See the attached listing for your city code.

County. Enter the Iowa county name and number where each Iowa office of the financial institution is located. If a financial institution has an office location(s) outside the State of Iowa, please provide a separate schedule. Do not list the non-Iowa branch on the "Iowa Allocation Schedule."

IMPORTANT: Verify that the Iowa business activity percentages total exactly 100.00%.
